IW4AL started with a vision by founder Cheryl Houston and a group of women who wanted to make a difference in the community and promote change. That took strengthening ourselves in a foundation based on God and His agape love. We were women who were overcomers and had our own life experiences. This business was started as an outreach ministry that provided encouragement and weekly prayer calls serving over 10-15 individuals per call. Later in that same year we partnered with a non-profit to be able to provide feedings at DC shelters and encouragement that both included up to 300 men and women. We also supported other organizations and ministries by volunteering.
